# **BGEF** Bright Green Energy Foundation

www.greenenergybd.com

The following costs are tentative and subject to change. Updates costs will be provided to participants as necessary and on time. These costs do not include personal expenses, such as food and lodging local transportation etc during the exposer visit in BGEF intern program. The cost of participation in the BGEF Intern Program in Bangladesh (excluding international travel expenses) is US\$ 300 (Three Hundred US dollars) per person for 4 week exposure visit in Bangladesh. Participant has to pay this to BGEF in cash (equivalent amount in Local Currency) upon arrival.

Exposure visit includes administrative work at BGEF head office in Dhaka, Bangladesh, field visit in any of 325 operating branch offices in Bangladesh, participating in the field work to learn about the installation, service and maintenance of renewable energy products. The participants of this program will also get actively get themselves involve in BGEF customer / staff training sessions and in collection process. At the end of the exposure visit, participants will have the opportunity to have an exclusive meeting with the founder and chairman of BGEF Mr. Dipal C. Barua.

## **EXPOSURE VISIT** (less than 30 Days):

Participants for the Exposure Visit Program are expected to pay BGEF \$15 US per day, In addition, participants will pay for all their own daily expenses such as food, accommodation. and local Transportation, if necessary interpreter etc. However BGEF can provide subsidized accommodation for US\$ 20 per day. Accommodation facility is limited. Application in advance for subsidized accommodation is required. If any of the participant of this program requires a translator / interpreter, a fee of \$10 us will be charged. per day.
